

2020 Drainage Short-Course

*Understanding the Benefits and Pitfalls of
Subsurface Agricultural Drainage Systems*

September 11, 2020

11:00am - 2:00pm

Knights of Columbus ♦ 311 East Patterson Street ♦ Salisbury, MO

How do you get from this... To this?

You're Invited to Lunch & Learn!

Dr. Kelly Nelson, research agronomist at the Greenley Research Center will present his latest research on subsurface drainage, explain the benefits and pitfalls of installation, and answer your questions!

Registration ...

The presentation and lunch are free, but class size is limited and we need to know how much food to order. So, if you'd like to attend, please call Debbie at the Missouri LICA office (573-634-3001 or MLICA@aol.com) **by Noon on September 4, 2020.**
